### Pre-enrolment (Step 5: Complete the Declaration on Insurance Agreement)

#### Insurance Agreement for 2025-26 Academic Year

\*This insurance enrolment is valid for 2025-26 academic year only. Continuing students will be asked to indicate their insurance decision before the start of each academic year.

The University requires all non-local students to have suitable and adequate insurance which should include but not limited to travel, personal accident, medical expenses (accident and non-accident), hospitalization and emergency evacuation / repatriation throughout the entire period of their studies in Hong Kong. You should arrange your own insurance before coming to Hong Kong. If you are not able to do so or would like to have additional coverage, you may purchase the University-contracted Insurance plan for non-local students. For more information about the insurance plan, please visit <a href="https://www.cityu.edu.hk/admo/non-local-students/insurance">https://www.cityu.edu.hk/admo/non-local-students/insurance</a>.

Insurance coverage will only become effective after the student has enrolled in the University and paid the insurance premium in full. The coverage will be terminated automatically when the student is no longer enrolled at CityUHK or the policy year ends, whichever is earlier. Pro rata enrolment is not acceptable. Premium fee is non-refundable. Students who do not pay the premium in full by the payment due date will be considered as having adequate insurance for their study at CityUHK and will be deemed to have opted out of the University-contracted Insurance plan.

Special Note to Mainland Students: Mainland students are required to enrol in the University-contracted Insurance plan because most insurance plans obtained in the mainland are invalid in Hong Kong.

For enquiries, please contact the University-contracted Insurance Administrator at uciadmin@cityu.edu.hk.

# Please indicate your option. The University will take this as your FINAL decision. Late enrolment and request for withdrawal from the insurance plan will not be accepted. I agree to enrol in the Basic Package of the University-contracted Insurance plan for non-local students. I agree to settle the insurance premium by the specified due date. I understand and accept that it is my responsibility to obtain and maintain valid insurance coverage for the duration of my study at City University of Hong Kong.

- I agree to enrol in the <u>Top-Up Package</u> of the University-contracted Insurance plan for non-local students. I agree to settle the insurance premium by the specified due date. I understand and accept that it is my responsibility to obtain and maintain valid insurance coverage for the duration of my study at City University of Hong Kong.
- I do not agree to enrol in the University-contracted Insurance plan for non-local students. I have already purchased insurance for myself including travel, personal accident, medical expenses (accident and non-accident), hospitalization and emergency evacuation / repatriation that will be valid worldwide including Hong Kong. I understand and accept that it is my responsibility to obtain and maintain valid insurance coverage for the duration of my study at City University of Hong Kong.

☐ By making this Declaration on Insurance Agreement, I confirm that I understand and accept all the university regulations and arrangements for non-local student insurance. I also undertake that I shall obtain and maintain a valid insurance policy that will include but not limited to travel and health insurance for the entire period of my study at City University of Hong Kong. I declare that the University and its staff are not liable for any loss, damage or injury, cost or expense whatsoever incurred if I fail to make an appropriate insurance arrangement.
