A Matter of Gravity

by

Professor Steven G. Krantz

Washington University in St. Louis

Abstract

We consider the concept of center of gravity from a new point of view. We prove some new result about the stability of the center of gravity. We also consider asymptotic results in higher dimensions. Some of these are joint work with John McCarthy and Harold Parks.

Cancelled

Date : Thursday, 29 June 2017

Time : 16:30

Venue : Room B6605
